Methods of Payment (arrival during first term)

Payments must be made in euros, by bank transfer to the account specified below. We send one invoice for the annual fees before the start of school. These are broken down to include tuition plus any options: languages, bus, uniforms, trips and SEN. When starting in September, payments are due either on the single full payment option, or in 2 equal instalments: before the start of school in September and in January.

Late Payment

Should payment be delayed for more than 2 weeks a 5% monthly interest charge will be claimed. If payments are delayed for more than 1 month the director of FIS may terminate the schooling contract at the end of the month following the director's written notice.

Late Arrival

For arrivals from January onwards, only the single payment option is available. Fees will be as follows:

- First term (September to December) 100% of the annual tuition fees incl. cost of bus service
- Second term (January to March) 60% of the annual tuition fees incl. cost of bus service
- Third term (April to June) 40% of the annual tuition fees incl. cost of bus service
