#### Methods of Payment (arrival during first term)

Payments must be made in euros, either by bank transfer to the bank account specified below or by cheque. We send one invoice for the annual fees before the start of school. These are broken down to include tuition plus any options: languages, bus, uniforms and SEN. Payments are due either on the single full payment option, or in 2 equal instalments. The first instalment is to be paid before the start of school, the balance is payable in January. By request, FIS can invoice the employer directly.

#### Late Payment

Should payment be delayed for more than 2 weeks a 5% monthly interest charge will be claimed. If payments are delayed for more than 1 month the director of FIS may terminate the schooling contract at the end of the month following the director's written notice.

#### Late Arrival

For arrivals from January onwards, only the single payment option is available. Invoicing will be done as follows :

- First term (September to December) 100% of the annual tuition fees incl. cost of bus service
- Second term (January to March) 60% of the annual tuition fees incl. cost of bus service
- Third term (April to June) 40% of the annual tuition fees incl. cost of bus service
